

Employment Policy

Policy statement

We meet the Safeguarding and Welfare Requirements of the Early Years Foundation Stage, ensuring that all staff and volunteers are appropriately qualified, and we carry out checks for criminal and other records through the Disclosure and Barring Service (DBS) in accordance with statutory requirements.

Procedures

Vetting and staff selection

- We work towards offering equality of opportunity by using non-discriminatory procedures for staff recruitment and selection.
- All our staff have job descriptions, which set out their roles and responsibilities.
- We welcome applications from all sections of the community. Applicants will be considered on the basis of their suitability for the post, regardless of disability, gender reassignment, pregnancy and maternity, race, religion or belief, sexual orientation, sex, age, marriage or civil partnership. Applicants will not be placed at a disadvantage by our imposing conditions or requirements that are not justifiable.
- We follow the requirements of the Early Years Foundation Stage and Ofsted guidance on checking the suitability of all staff and volunteers who will have unsupervised access to children. This includes obtaining references and ensuring they have a satisfactory enhanced criminal records check with barred list(s) check through the DBS. This is in accordance with requirements under the Safeguarding Vulnerable Groups Act (2006) and the Protection of Freedoms Act (2012) for the vetting and barring scheme.
- Where an individual is subscribed to the DBS Update Service carry out a status check of their DBS certificate, after checking their identity and viewing their original enhanced DBS certificate to ensure that it does not reveal any information that would affect their suitability for the post.
- We keep all records relating to the employment of our staff and volunteers; in particular those demonstrating that suitability checks have been done, including the date of issue, name, type of DBS check and unique reference number from the DBS certificate. All staff are then added to the update service and checked yearly.
- Our staff are expected to disclose any convictions, cautions, court orders, reprimands and warnings which may affect their suitability to work with children – whether received before, or at any time during, their employment with us.

- Where we become aware of any relevant information which may lead to the disqualification of an employee, we will take appropriate action to ensure the safety of children. In the event of disqualification, that person's employment with we will be terminated.

Notifying Ofsted of changes

- We inform Ofsted of any changes to our Registered Person (Trustee).

Training and staff development

- Our Principal has PGCE in Education and a Post Graduate Diploma in Special Education - Autism and deputy hold the CACHE Level 3 Diploma for the Children and Young People's Workforce or an equivalent qualification and at least half of our other staff members hold the CACHE Level 2 Certificate for the Children and Young People's Workforce or an equivalent or higher qualification.
- We provide regular in-service training to all our staff - whether paid staff or volunteers - external agencies.
- Our budget allocates resources to training.
- We provide our staff with induction training in the first week of their employment. This induction includes our Health and Safety Policy and Safeguarding Children and Child Protection Policy. Other policies and procedures are introduced within an induction plan.
- We support the work of our staff by holding regular supervision meetings and appraisals.
- We are committed to recruiting, appointing and employing staff in accordance with all relevant legislation and best practice.

Staff taking medication/other substances

- If a member of staff is taking medication which may affect their ability to care for children, we ensure that they seek further medical advice. Our staff will only work directly with the children if medical advice confirms that the medication is unlikely to impair their ability to look after children properly.
- Staff medication on the premises will be stored securely and kept out of reach of the children at all times.
- If we have reason to believe that a member of our staff is under the influence of alcohol or any other substance that may affect their ability to care for children, they will not be allowed to work directly with the children and further action will be taken.

Managing staff absences and contingency plans for emergencies

- Our staff take their holiday breaks when the setting is closed. Where a staff member may need to take time off for any reason other than sick leave or training, this is agreed with our Principal with sufficient notice.
- Where our staff are unwell and take sick leave in accordance with their contract of employment, we organise cover to ensure safety levels are maintained.
- Sick leave is monitored and action is taken where necessary, in accordance with the individual's contract of employment.
